Účel a vlastnosti

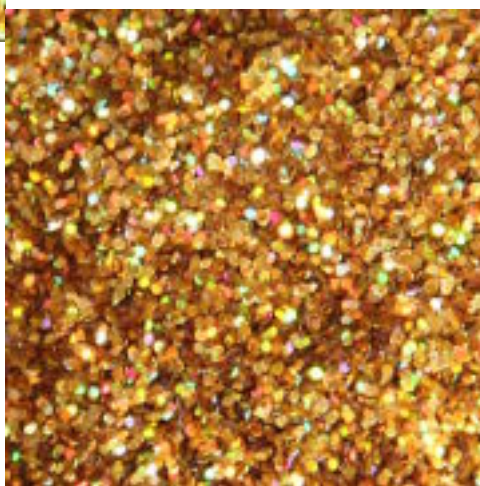

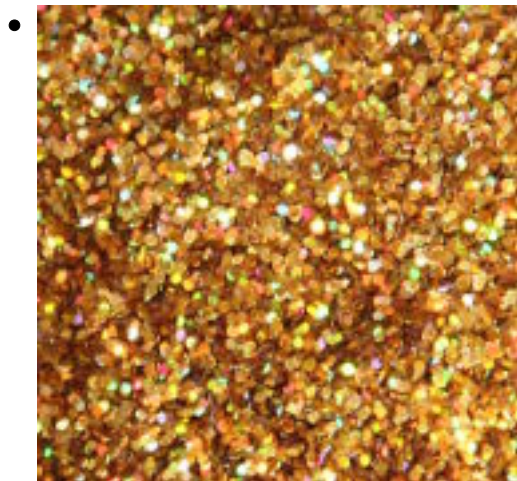

GLITTER VERNISH TGA je lak určený na použitie v interiéri, ktorý je možné aplikovať na všetky vyschnuté dekoratívne a maliarské povrchy a tak tiež sa dá použiť ako finálna vrstva v systéme plátok. Vďaka pridaniu brokátu dodáva bohatší estetický dekoratívny efekt, čím aj vytvára lesnúce sa bodky a dodatočne ho zabezpečuje. GLITTER VERNISH TGA je produkt ekologický a vodouriediteľný.
